Audio Visual Technology & Video Conferencing

Audio Visual Technology

Audio Visual Technology continues to *revolutionize* the boardroom, and is an integral component to the success of any Executive Meeting.

Both **'Level One by Zernike'** and **'The Exchange by Zernike'** boardrooms are equipped with the latest audio visual technology including: High resolution Data Projection (Projector & Projection Screen); High Speed Internet; Teleconferencing; White board and Flip Charts.

HD Video Conferencing

'The Exchange by Zernike' is host to revolutionary HD (High Definition) Video Conferencing Technology, enabling businesses to connect and interact face to face across the globe instantaneously, without incurring expensive travel costs, or valuable time away from the office.

Features include –

- HD Video (1280 x 720) & Audio
- 30 frames per second
- 4-way continuous presence (CP) Multipoint
- 16:9 Aspect Ratio
- H.239/Dual Streaming
- HD 42' Interactive LCD Screen
- Teleconferencing

Catering

Whether it's morning coffee to kick-start your meeting, an executive working lunch or casual drinks and platters to finish off the day, a range of catering solutions are available, and can be serviced directly to your boardroom meeting.

The resident catering teams at Fresh Start Coffee & The Coffee Club, (both of which are located at Brisbane Technology Park), provide an extensive range of boardroom catering menu options, and use quality, fresh ingredients.

Please ask our booking Administrator for a full list of the available menus upon making your booking enquiry.

Location

'The Exchange Boardroom' and **'Level One Boardroom'** are both centrally located within the Brisbane Technology Park. Located just 10 mins from the Brisbane CBD, and easily accessible from all major arterial roads including the Gateway Arterial, Pacific, Logan & Ipswich Motorways.
